CHARITY BALL YEAR'S EVENT

Second Annual Charity Ball
Surpasses All Other Social Events of the Season—Many Handsome Gowns Worn by Fair Dancers.

The climax of a brilliant social season was reached last evening in the Twelfth Night ball given by the Board of Visitors of St. Luke's Home at the Woman's club. The second annual charity ball surpassed in brilliancy the initial affair that has remained fresh in the memory of all those who attended the function of a year ago. In beauty of appointments as well as the pleasure it occasioned, the recent event not only eclipsed the former dance but every social diversion in the past.

The reception hall was entirely in the red and dull green tones that featured the decorative scheme. Great masses of autumn leaves were over the fireplace and great garlands of dull green relieved with lovers' knots of scarlet tulle were everywhere. The auditorium carried out a similar decoration. Eucalyptus and olive branches which lend themselves perfectly to the hand of the decorator showered the side lights, giving a soft subdued coloring. The stage where the Edgewood orchestra furnished captivating airs, was converted into a woodland. The bright boxes blended beautifully in producing an harmonious effect. The small dinner room was particularly attractive. In the center of the table was a silver urn of red carnations and among the crystal and silver stood four red unshaded candles. A buffet supper was served at midnight. Mrs. E. J. Bennett, presiding, assisted by Mrs. John Bennett, Jr. Mrs. Dwight E. Heard and Mrs. Martin.

A reception preceded the dance. Eugene Goldman, master of ceremonies, and Miss Rose Bell Goldman led the grand march starting promptly at nine o'clock. There were more than one hundred couples present and unusually handsome costumes were worn.

FIVE MEN CAUGHT BY SHERIFF ADAMS

Alleged to Have Been Selling Whisky to Most Any Old Customer

Five men suspended their business in this valley yesterday. They had been selling whiskey and despite the fact that they met a ready market, even though they asked top price, they will not continue in their chosen line. At present they are taking a rest cure because of their activities and that cure may be extended for an indefinite period. It will rest with the court.

The county attorney's office filed information against a number of bootleggers who were yesterday taken into custody by Sheriff Jeff Adams and his deputies. They came from Mesa, northeast of Glendale and in this city. They are alleged to have sold whiskey and to have not used any great amount of discretion in choosing their buyers, even going so far as to sell it to the sheriff's office. The boys brought anything from \$2.50 to \$5.00 a quart.

The men have been disposing of the whiskey in small quantities, it is said and making a considerable profit. Those who have been placed under arrest are Calvin C. Young, Frank Smith, John D. Russell, E. L. Major and Irvin Confield.

Sixth Man Caught
Frank Hearst, the sixth man caught in connection with the case, was taken into custody late last night and with the others will be taken into superior court this morning.
